Re: Letter of Reference

LCE Interior's furniture collection lends itself a distinct style that blends classic design with contemporary flare. They have always been able to appreciate our philosophy that each project is uniquely personal and have provided the required customer service to ensure that our objectives are met and satisfied.

Coupled with their expert advice and industry knowledge, they have always been eager to work as a collaborative team to customize furniture that fits the project criteria. All work has always been completed in a timely professional manner, producing affordable, quality pieces.

We gladly recommend LCE Interiors for all your hospitality needs. They are a *fresh* offering to the hospitality industry. We wish them continued success.
